Boer Ranks Joined by More Foreigners

London, June 15 .- A dispatch from Lourenzo Marques, dated yesterday, Steamers due and sailing for the re-mainder of this and the whole of next says: "President Kruger is holding on to his gold and issuing paper notes from a press in his executive car. The Boer Government's coin in stock is exhausted, and the officials are now paying out plain gold disks unstamped. Some who have declined to accept notes have taken their salaries in gold bars. The Boer Government is still paying out much gold in that way.

> "Two steamers arrived at Lourenzo Marques yesterday bringing several thousand tons of supplies consigned to Portuguese merchants, but destined for the Boers. One hundred Americans Frenchmen, Germans and Hollanders have arrived there by various steamers, en route for the Transvaal. Mr. Crows. the British Consul General, has large stocks of clothing for the British prisoners, but he will not forward these until he gets assurances that the Boers will not take them for their own use."

General Buller will be unable to advance further until he gets supplies. Nearly every farmhouse, as the troops passed, flew a white flag. The British took nothing without paying for it, and a brisk business was done in milk A. J. "It was grand, seeing the way our men advanced over the difficult ground and under a heavy fire. The casualties, I am thankful to say, were less than Strathgyle, Br. S. Our seizure of Diamond Hill caused the Boers to sex, Br. bk., Guthrie, Newcastle, feel they were practically surrounded and this resulted in their hasty retirement. They were being followed yesterday by some of our mounted corps. Hamilton spoke in high terms of the troops engaged. The rest of Lord Roberts' dispatch deals with the casualties and General Baden-Powell's movements in Western Transvaal, where Baden-Powell, with New York terms of surrender and they all appreciate the work of pacification performed by his troops.
